

## Product Data Sheet Type: SG3400

Group: ALUMINIUM Cases + Basic Elements

Shell Casings

Width : 104 mm

Height : 45 mm

Stable profile case with insertable bottom (or top) designed for PCB insertion (e.g. Eurocards).  
With screwed-in exterior front panels.

Surface finishes:

NE = natural anodized

SE = black anodized

SL = black textured paint(RAL 9005)

All surface finishes can be combined from standard finish selection.  
(Shell surface finish must be indicated first).

Order-Example: SG 3400 / 100 / GL / SE

(GL = surface shell, SE = surface front panel)

Other dimensions, surface finishes and machining on request

Also available in meter lengths.
